Hardship/Compassionate Grounds Letter (Excerpt)

To Whom It May Concern,

I am writing on behalf of [Client's Name] to outline the significant hardship they would face if their application is not approved. This includes the loss of critical medical support, separation from immediate family, and disruption to essential social and community ties.

Based on my professional assessment, it is clear that the denial of their request would result in undue suffering and significant challenges to their health and well-being.

Sincerely,
[Your Name]
