Page 2 – Sample Letter (Excerpt)

[Your Name]

[Your Address]

[Date]

To: [Recipient]

Dear [Recipient],

I am writing to request disability accommodations. My condition impacts my ability to [work/live/study], and I am seeking support to ensure I can continue with stability and dignity.

The accommodations I need include adjustments such as [example: flexible scheduling, housing modifications, or accessible resources]. These supports are essential for my well-being and equal participation.

Thank you for your consideration.

Sincerely,

[Your Name]

Page 3 – What’s Inside the Full Bundle?

-

Page 4 – Why This Matters

 Did you know?

- Under Canadian human rights law, organizations are required to provide **reasonable accommodations** for people with disabilities.
 - A strong letter makes it easier to communicate your needs clearly and respectfully.
 - Having a **ready-made toolkit** saves time, reduces stress, and helps you advocate with confidence.
-
